DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 20-31, 45, and 46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

- Claim 20 is indefinite because it is not clear what applicant intends to say in lines 13-16. Also, there is no antecedent basis for "the needle".
- There is no antecedent basis for "the step of stopping".

3. Claims 20-39 are rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential structural cooperative relationships of elements, such omission amounting to a gap between the necessary structural connections. See MPEP § 2172.01. The omitted structural cooperative relationships are (set forth in claims 20 and 32): *an element that enable "the needle bearing retraction body" and "the needle" to be retracted upon action of the cap.*

Claim Rejections - 35 USC § 102

4. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Art Unit: 3763

5. Claim 32 is rejected under 35 U.S.C. 102(b) as being anticipated by Shaw (US 5,385,551).

Shaw discloses a cap operated retractable medical device having a hollow body 12, a closeable cap 56 associated with the hollow body, and a retractable mounted needle 34.

Allowable Subject Matter

6. Claims 1-19, and 40-44 are allowable over the prior art of record.
7. Claims 20-31, 45 and 56 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
8. Claims 33- would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

9. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Gibbs, Johnson et al, Schmitt, Miller, Thorne et al, and Ryan.
